BUSES UPDATE

Sandra Pember, an active member of the Partnership, is in the process of lobbying the council and Stagecoach to provide us with better equipped, low-floor buses for routes that are frequented by the elderly or the disabled. Progress is being made and low-floor buses are being provided when requested by Milestone School but we need them permanently on this route. Thank you to Sandra for her unfaltering persistence.

YOUTH PARTNERSHIP SECURE A BRAND NEW MINI BUS FOR LONGLEVENS!

We have been successful in our application to the Youth Capital Fund and have been awarded £29,000 for a new mini bus for the area. It will be used for youth trips, trips for the elderly and for any community based day out. Thanks go to Dave Pewton, Ross Williams, Vicky Kemp and Kelly Bartlett for the time spent on the application so far. Look out for the mini bus on a street near you soon!
